

Vermont Junior Players Academy at The Quechee Club

Dates: **May 31 - June 1** and **July 16 - 17**

Location: The Quechee Club, Quechee, VT

Build Confidence. Master Strategy. Compete with Purpose.

This two-day camp is built for junior golfers ready to take their game to the next level in a competitive, tournament-style setting. Rather than focusing only on swing mechanics, the camp centers around on-course strategy, decision-making, and scoring—key elements that separate good players from great ones.

Guided by experienced coaches, players will learn how to manage their rounds, think through shots, and build the mental toughness required for high-level competition. The goal is to develop well-rounded athletes who are confident, composed, and ready to perform under pressure.
